FORM INSTRUCTIONS

Is this form required for your company?

Yes. If a bid solicitation includes this form, it is required for **all** Bidders without exception. This includes Bidders who are certified as a diverse business by the Supplier Diversity Office (SDO) or another organization. No contract shall be awarded to a Bidder without an SDP commitment (Part III of the form) that meets the RFR requirements.

Which parts of this form are required to be completed?

All parts marked as "Required" must be completed. For ease of use, all required fields are shaded in yellow. Bidders are encouraged to provide information in sections marked as “Optional” and may receive additional points for doing so. For ease of use, all Optional (desirable) fields are shaded in green.

Part I – Bidder and Contact Information (Required)

- **Bidder Company Name:** Enter your company name.
- **Average Gross Revenue:** Enter your company’s average gross revenue based on a 3-year average. If a company has been in business for less than 3 years, enter the average annual gross revenue for the period beginning from business inception.

- **SDP Reporting Contact (if awarded):** Provide the contact information for the individual who should be contacted regarding your company’s SDP spending reports, if your company is awarded a contract.

Part II – SDP Focus Statement (Optional)

Answer the questions. Note that, while important, diversity and inclusion initiatives related to your company’s workforce/human resources (hiring, retention, promotion, etc. of diverse personnel) will not be evaluated.

Part III – SDP Spending Commitment (Required)

An SDP Commitment is the percentage of contract sales your company commits to spending with certified diverse businesses (SDP Partners). No contract shall be awarded to a Bidder without an SDP commitment that meets the RFR requirements. Unless otherwise specified in the RFR, the minimum required Total SDP Commitment is 1%.

The SDP Partner may be engaged in the following two ways (business-to-business relationship types):

- **Subcontracting**, defined as a partnership in which the **SDP partner is involved in the provision of products and/or services to the Commonwealth**. Such relationships typically, but not always, involve a formal written agreement between the SDP partner and the prime contractor.
- **Ancillary Products and Services**, defined as a business relationship in which the SDP partner provides **products or services that are not directly related to the prime contractor’s contract with the Commonwealth**. In most cases, this type of partnership is related to the prime contractor’s general business or operational needs.

An SDP Partner is always **another business**; it may not be your own company. Contractors certified by the SDO or another recognized certification organization may not list their own organization or own subsidiary or affiliate as an SDP partner.

After contract award (if any), the **Total SDP Commitment** will become a contract requirement to be met annually on a Massachusetts fiscal year basis (July 1 – June 30) for the duration of the contract. See the RFR for any additional commitment specifications.
